

# British Triathlon Youth and Junior

# 2018 COMPETITION MAP

- Notes**
1. **SS** denotes Youth and Junior Super Series event **Jnr ETU** is Junior ETU Cup. All Super Series events are Yth & Jnr unless stated
  2. London, Blenheim and Cardiff are not part of the Youth & Junior Super Series - at all 3 events Juniors are still able to race as normal alongside Seniors in a mixed Jnr/Snr field
  3. The AG (Age Group) Sprints are draft legal and form part of Euro and World AG Qualification. 1st & 2nd yr Yths are eligible to race but over Sprint Distance. In most cases we would direct 1st yr Yths to Regional Children's Series over racing Sprint distance and would advise no more than 2 Sprint distance events for 2nd Yr Yths in any one season. Pool based, non-drafting local sprint races are an option too.
  4. The UK School Games is for athletes in Year 10 and 11 of the current school year (as of 1st Sep 2017). Scottish athletes must have been either 14 on 31 Aug 2017 (Year 10) or 15 on 31 Aug 2017 (Year 11) to be eligible
  5. Any event in bold has a selection policy attached to it - see [here](#) for selection policies
